Academic and Professional Information and Transcripts

Please include your resume and official sealed transcripts from each college or university attended with this application. If you are accepted to the Belmont Day School Associate Teacher Program, the transcripts will be forwarded to Lesley's admissions office.

References

Please include letters of recommendation from three individuals. Two should be from someone who has supervised you in an academic or professional setting. Reference letters should provide details of your studies or work, and an assessment of your ability to engage in graduate studies while taking on the responsibilities of an associate teacher. List the people who will be writing for you below. Download and send the recommendation cover letter form to your references as we require both the letter and the form.

Please note that in addition to the reference letters written for your application to the Associate Teacher Program, you will need to submit Lesley University's official recommendation forms with your application to Lesley. We suggest that you ask each of your references to complete the Lesley recommendation form (available from the admissions office or on the web at www.lesley.edu) at the same time that they write your letters for the Associate Teacher Program. All of the recommendation materials may be submitted to Belmont Day School; they will be returned to you, or, if you are accepted to the Associate Teacher Program, they will be forwarded to the admissions office at Lesley.

Personal Statement

One of the hallmarks of our program is the connection between educational theory and classroom practice. Students in the program are expected to demonstrate intellectual curiosity, an interest in children's development, and a desire to learn in an apprenticeship role. In 2-3 pages, please describe a question, observation, or educational interest that has led you to apply to the Associate Teacher Program. In addition, please explain how this program will help you gain further insight into the question or interest you have identified.
