Athletics Participation

With a focus on creating healthy habits and active lifestyles, the middle school athletics program seeks to prepare students for their future athletic opportunities through skill development and competitive play, while also building character and promoting self-confidence through its team-oriented approach.

Schedule

Athletics takes place Monday through Thursday from 3:15 to 4:30 p.m. and is a required component of the school's curriculum. Students are expected to participate to the best of their ability on a daily basis, and all out-of-school commitments should be made in accordance with the athletics schedule.
